Description:

On the first line of this beach is the 22-storey Delfin Tower building, a new development of ultramodern design with several typologies with spectacular views of the sea and terraces.

Regarding the house, very bright, with open spaces, windows and high quality materials.

As for the common areas, this promotion offers exceptional facilities. It has exclusive garden areas with paddle tennis court, heated pool on the 20th floor and infinity pool, which blends with the sea view.

Additionally, it offers a gym, a solarium and a social club, and has a concierge service. In addition, the building has received the LEED Gold certification from the United States Green Building Council for its high energy efficiency.
